Finewood

Finewood are Scotland's largest supplier of internal and external doors, operating from a four acre site in Falkirk with a 75,000 sq ft factory unit, supplying timber and builders' merchants, house-builders, councils, joiners and DIY enthusiasts.

With a stock of £1.4 million worth of doors we offer the largest choice of styles and designs available from our state-of-the-art showroom which is open 7 days per week.

Many of these doors can be glazed and a full range of glass patterns can be fitted to your choice of door.

Finewood also carry a wide range of mouldings including skirtings, facings, casings and door stops.

Finewood were founded in 1990 and have grown rapidly with an experienced staff to help you choose your doors, which then can be delivered anywhere in Scotland.

Our Sister Company, Doorworks, specialise in making doors into doorsets with frames and ironmongery included. Where required, Doorworks will also create wooden screens or cut apertures.

A visit to our showroom is sure to amaze you with a wide selection of designs, colours and styles from all over the world.

YOU MUST BE LEGALLY COMPLIANT

Fire doorsets and components must be compliant.

If not, you are putting property and lives at risk, leaving yourself open to prosecution and a fine, or both.

For further information and to put your mind at ease contact Finewood now.

BWF Certifire approved FD30 and FD60 doorsets with fire rated glazed apertures.

Our advanced finishing process enables us to achieve a smoother, more professional quality finish on our real wood veneered doors.

Available in a range of colours, sizes and specifications all supplied PEFC as standard.

Finewood, Scotland's leading supplier of doorsets are part of the BWF Certifire scheme and so are licensed to manufacture fire rated doors to FD30 and FD60 with fire rated glass openings.

The ultimate thermally efficient door

ULTIMATE Series

You care about style, you care about looks, and you obviously care about security. That's why Rockdoor Ultimate is the popular choice for those with discerning tastes and security concerns. Our top-of-the-range door, Rockdoor Ultimate looks superb on any property. Ultra-high security German engineered locks and a Carbon Fibre reinforced frame, makes it the strongest composite door available.

Ultimate comes in a choice of 27 door styles, many of which are exclusive to us. There are several intricate and exquisite glass designs as well as the finest handles and letterplates available.

In addition to security and looks, Ultimate series can also boast Door Set Energy Ratings of A.

Features & Benefits

- Largest collection of A-Rated Doors available
- Security Rating - 1 as Standard
- 50mm Thick Door Sash
- 3mm High Impact Door Skins
- Full Range of Door Styles & Glass Designs
- Carbon Fibre Reinforced Innerframe
- Soft Coat Low-Emissivity Backing Glass
- Argon Filled Double Glazed Unit
- Warm Edge Spacerbar
- Secure Multipoint Locking System
- 6 Pin Secured by Design Cylinder
- German Engineered 3D Adjustable Hinges
- Stylish High Quality Furniture
- CE Marked as Standard

ELITE Series

Security and safety are obviously paramount, but you want a competitively priced door that looks great too. Rockdoor Elite Series is exactly that.

Featuring secure multipoint hook locks, the Elite Series offers a wide choice of stylish door and glass designs as well as quality handles and letterplates. The Elite Series can play a big part in keeping your home and family safe and warm.

Elite Series features Door Energy Ratings of C (which is still far above industry standards). To achieve this, we use warm edge spacerbars and energy efficient hard coat glass. To ensure your door is C-Rated choose a clear backing glass.

Please note: Glass designs in the Elite Series are photographed on a Sandstone backing glass for illustrative purposes. Please choose Sandstone backing glass if you require extra privacy.

Features & Benefits

- Energy Rating - C if Chosen With Clear Backing Glass
- Security Rating - 3 as Standard
- 44mm Thick Door Sash
- 2mm High Impact Door Skins
- Aluminium Reinforced Frame
- Hard Coat Backing Glass
- Argon Filled Double Glazed Unit
- Warm Edge Spacerbar
- Secure Multipoint Locking System
- Engineered 3D Adjustable Hinges
- High Quality Furniture
- CE Marked as Standard

SELECT Series

Ideal for many different styles of property, the Rockdoor Select Series is strong, secure and performs extremely well keeping you and your family safe and warm. Choose from different glass designs including coloured diamonds for a simple yet stunning effect, or from our Clear Lite range of designs. The Select Series is also popular as a back door option with plain or patterned glass.

Available in a choice of 7 different door styles, the Select Series comes complete with secure multipoint locks for your peace of mind.

Select Series features Door Energy Ratings of E which is the industry standard for thermal efficiency.

Please note: Glass designs in the Select Series are photographed on a Sandstone backing glass for illustrative purposes. Please choose Sandstone backing glass if you require extra privacy.

Features & Benefits

- Door Energy Rating - E
- Security Rating - 5 as Standard
- 44mm Thick Door Sash
- 2mm High Impact Door Skins
- Aluminium Reinforced Frame
- Warm Edge Spacerbar
- Thunderbolt Multipoint Locking System
- Traditional Butt Hinges
- High Quality Furniture
- CE Marked as Standard

EMAIL: MAIL@DOOR-WORKS.CO.UK

DOORSETS

Easy to fit, cost effective and the perfect finish. Doorworks pride themselves in offering the complete package with the least hassle. Have your door, frame, ironmongery and architraves supplied complete as a set for easy installation.

Available in a range of finishes, fire ratings, acoustic ratings and style. All ironmongery can be supplied and fitted as part of the set, or cut out only options available.

SCREENS

As well as doorsets, we also offer timber screens. As part of BWF, we are fully certified for manufacturing fire rated and acoustic rated high performance screens. All requirements can be covered for houses, schools, hotels, hospitals and all other public sectors. Choose from a range of hardwoods and finishes.

TOILET CUBICLES

We can offer a wide range of cubicles to suit your needs. Including vanity units, lockers and wall linings or just standard cubicles. Available in a range of colours, styles and options of solid laminate or laminated chipboard. Contact us for more information.

DOOR CHOICES

As Doorworks make every doorset up to suit your client's requirements, you can choose from any door style available. Here are some of the different types of finishes available.

FLUSH VENEER OPTIONS (MORE AVAILABLE ON REQUEST)

FORMICA LAMINATE DOOR RANGE (MORE AVAILABLE ON REQUEST)

DOMESTIC DOORS

Any door in this catalogue can be supplied as a doorset. Please contact us for prices.

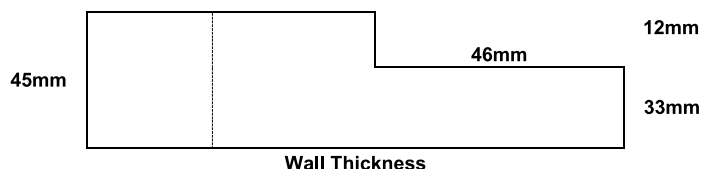

CERTIFIED FIRE DOOR SETS AND FRAMES

Fully Certified Fire Doorsets

Doorworks are fully certified for offering fire doorsets. We are one of the few Doorset suppliers in Scotland certified to produce these products. They are supplied fully assembled comprising the door, frame, hinges and seals. Ironmongery and architraves can be added as an extra option. We have a standard specification but these can be altered to suit customer requirements and certification depending on the project.

Frames

Our Standard frames are made of a Rebated piece of timber. This can be either Redwood or Hardwood Unfinished, Primed or fully Lacquered. If a loose stop is required, we can also offer this on request.

Hinges

All doorsets are generally factory hung, on Class 13 100mm Ball Bearing Butt hinges. Hinges are supplied as Chrome as Standard. Polished Chrome, Satin Chrome and Brass are also available on request. We can also offer Self Closing spring hinges for FD30 or FD60 doors. If these are required, please request on enquiry.

Intumescent

For doorsets to be compliant to certification, they must include the correct seals. Our Intumescent flipper seal fully complies with this. The 15x4mm Fire and Smoke Seal is routed out to the frame and fitted before delivery. Leaving you with peace of mind!

BESPOKE SERVICES

BOOKMATCHED PAIRS

If you have more than two doors that are used beside each other in the same area, why not get them book matched so they match each other. We can offer this service as a bespoke service with all our Real Wood Veneers.

IRONMONGERY CUT OUTS

Our State of the art CNC machine can cut out any type of Radius Edged Ironmongery required. From Locks to Drop Seals. Sample must be approved before production!

VISION PANELS

We are fully certified to produce vision panels in any door. Pick from our range of Standard designs on Page 43 or design your own. From NFR to 60/60 glass, Timber Flush Beads or Stainless Steel Portholes, we can offer them all.

REASONS WHY YOU SHOULD CHOOSE US

See our products on show in Scotland's largest door showroom. Come in and meet our dedicated sales team who can help and advise with any specification or technical questions.

A purpose built warehouse to hold our £1.5 million stock, all sectioned and organised for easy and quick supply. Along with our 1,500 m² built factory full of state of the art machinery and a driven workforce to produce high quality products.

Our production team can assist with help in scheduling and site call offs. From handing doorsets to technical queries, we are here to help every step of the way.

FULLY CERTIFIED

Give yourself peace of mind that our doors and doorsets are not putting lives at risk!

PREVIOUS PROJECTS

COMMERCIAL PROJECTS

Many projects demand something more than a standard offering. Whether the project be a hotel, school, student accommodation or hospital we can offer an impressive solution to suit these requirements. Building Regulations and other statutory requirements for commercial environments can be challenging but here at Doorworks we have the solution whilst still retaining a high quality and traditional appearance.

HOUSE BUILDERS

Private and Social housing is a large part of Doorworks production. Small one off projects, exclusive developments or large sites, we can work with you to create the finished look you want. Contact us to let us help finish your home with the WOW factor!
